- 9:00am Be Creative at Your Library**  
Join brand new LPL Youth Services Coordinator Marge Loch-Wouters as she leads us in new ways of thinking about and planning for our summer library programs. Feel like you've been in an SLP rut? This is the summer to "get creative" and break out of your routine! Marge will help us put the fun back in summer and will reenergize and reinvigorate us with some new ways of thinking and new ideas. As always, there will also be time to try out some new craft ideas and she'll give suggestions for creative ways to enhance your storytelling. 3 CEUs
- 12:00pm Lunch - on your own**
- 1:15pm WRLS Creative SLP Idea Sharing**  
Everyone is asked to bring one idea to share about the 2009 theme. It could be a craft demonstration, a decorating idea, stories, programs, speakers, or anything else you've found inspiring for this theme. 1 CEU
- 2:15pm Frozen Tundra (or Winter Grassroots) Children's Services Discussion**  
Talk about challenging climates! We would like to hear about the current state of children's services in your library, and brainstorm about what opportunities might be found in the current challenging fiscal climate.
